

## TOWN OF FORT MACLEOD

### Regulated Rate Option – RRO

- For customers on the RRO, the electricity rate is set monthly by the Alberta Utilities Commission (AUC). This rate reflects the current market price and fluctuates up and down making costs less predictable for customers and is an option for those who are not on a contract or other plan.

#### EFFECTIVE DATE:

<b>February</b>	<b>2018</b>
-----------------	-------------

<b>RRO</b>	Energy (\$/kWh)	\$ 0.05330	Change from previous month \$ 0.01263
<b>Administration Fee</b>	( \$/Customer/Day)	\$ 0.2562	No change from previous month
