### INDEPENDENT AUDITOR'S REPORT

To: The Mayor and Members of Council of the Town of Fort Macleod

### Opinion

We have audited the consolidated financial statements of the Town of Fort Macleod which comprise the consolidated statement of financial position as at December 31, 2022, and the consolidated statements of operations, change in net financial assets and cash flow for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Town of Fort Macleod as at December 31, 2022, the results of its operations, change in its net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Town in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Town's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Town or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Town's financial reporting process.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

### INDEPENDENT AUDITOR'S REPORT, continued

- Identify and assess the risks of material misstatement of the financial statements, whether due to
  fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
  evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not
  detecting a material misstatement resulting from fraud is higher than for one resulting from error, as
  fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of
  internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
  that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
  effectiveness of the Town's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Town's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the municipality to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

- Debt Limit Regulation:
   In accordance with Alberta Regulation 255/2000, we confirm that the Town is in compliance with the Debt Limit Regulation. A detailed account of the Town's debt limit can be found in note 16.
- Supplementary Accounting Principles and Standards Regulation: In accordance with Alberta Regulation 313/2000, we confirm that the Town is in compliance with the Supplementary Accounting Principles and Standards Regulation and note the information required can be found in note 15.

### MANAGEMENT REPORT

The consolidated financial statements are the responsibility of the management of the Town.

These consolidated financial statements have been prepared from information provided by management. Financial statements are not precise since they include certain amounts based on estimates and judgments. Management has determined such amounts on a reasonable basis in order to ensure that the consolidated financial statements are presented fairly, in all material respects.

The Town maintains systems of internal accounting and administrative controls that are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and that the Town's assets are properly accounted for and adequately safeguarded.

The elected Council of the Town is responsible for ensuring that management fulfils its responsibilities for financial statements. Council carries out its responsibility principally through the Finance and Administration departments.

The Council meets annually with management and the external auditors to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, and to satisfy itself that each party is properly discharging its responsibilities. Council also considers the engagement or reappointment of the external auditors. Council reviews the quarterly financial reports.

The consolidated financial statements have been audited by Avail LLP Chartered Professional Accountants, the external auditors, in accordance with Canadian generally accepted auditing standards on behalf of the Council, residents and ratepayers of the Town. Avail LLP has full and free access to the Council.

### 1. Significant accounting policies

The consolidated financial statements of the Town are the representations of management prepared in accordance with generally accepted accounting principles for local government established by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada. Significant aspects of the accounting policies adopted by the Town are as follows:

### (a) Reporting entity

The consolidated financial statements reflect the assets, liabilities, revenue and expenses, changes in fund balances and change in financial position of the reporting entity which comprises all of the organizations that are owned or controlled by the Town and are, therefore, accountable to the Council for the administration of their financial affairs and resources.

Taxes levied also includes requisitions for educational, health care, social and other external organizations that are not part of the municipal reporting entity.

The statements exclude trust assets that are administered for the benefit of external parties. Interdepartmental and organizational transactions and balances are eliminated.

### (b) Basis of accounting

The financial statements are prepared using the accrual basis of accounting. The accrual basis of accounting records revenue as it is earned and measurable. Expenses are recognized as they are incurred and measurable based upon receipt of goods or services and/or the legal obligation to pay.

Funds from external parties and earnings thereon restricted by agreement or legislation are accounted for as deferred revenue until used for the purpose specified.

Government transfers, contributions and other amounts are received from third parties pursuant to legislation, regulation or agreement and may only be used for certain programs, in the completion of specific work, or for the purchase of tangible capital assets. In addition, certain user charges and fees are collected for which the related services have yet to be performed. Revenue is recognized in the period when the related expenses are incurred, services performed or the tangible capital assets are acquired.

### (c) Use of estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expense during the period. Where measurement uncertainty exists, the financial statements have been prepared within reasonable limits of materiality. Actual results could differ from those estimates.

### (d) Investments

Investments are recorded at amortized cost. Investment premiums and discounts are amortized on the net present value basis over the term of the respective investments. When there has been a loss in value that is other than a temporary decline, the respective investment is written down to recognize the loss.

### 1. Significant accounting policies, continued

### (e) Requisition over-levy and under-levy

Over-levies and under-levies arise from the difference between the actual property tax levy made to cover each requisition and the actual amount requisitioned.

If the actual levy exceeds the requisition, the over-levy is accrued as a liability and property tax revenue is reduced. Where the actual levy is less than the requisition amount, the under-levy is accrued as a receivable and as property tax revenue.

Requisition tax rates in the subsequent year are adjusted for any over-levies or under-levies of the prior year.

### (f) Inventories for resale

Land held for resale is recorded at the lower of cost and net realizable value. Cost includes costs for land acquisition and improvements required to prepare the land for servicing such as clearing, stripping, and leveling charges. Related development costs incurred to provide infrastructure such as water and waste water services, roads, sidewalks, and street lighting are recorded as physical assets under their respective function.

### (g) Tax revenue

Tax revenues are recognized when the tax has been authorized by bylaw and the taxable event has occurred.

Requisitions operate as a flow through and are excluded from municipal revenue.

### (h) Contaminated sites liability

Contaminated sites are a result of contamination being introduced into air, soil, water or sediment of a chemical, organic or radioactive material or live organism that exceeds an environmental standard. The liability is recorded net of any expected recoveries. A liability for remediation of a contaminated site is recognized when a site is not in productive use and is management's estimate of the cost of post-remediation including operation, maintenance and monitoring.

### NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended December 31, 2022

### 1. Significant accounting policies, continued

### (i) Non-financial assets

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the normal course of operations. The change in non-financial assets during the year, together with the excess of revenues over expenses, provides the consolidated Change in Net Financial Assets for the year.

### (i) Tangible capital assets

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets is amortized on a straight-line basis over the estimated useful life as follows:

|                         | Years        |  |
|-------------------------|--------------|--|
| Land improvements       | 15-25        |  |
| Buildings               | 25-50        |  |
| Engineered structures   | 5-80         |  |
| Machinery and equipment | <b>5-</b> 25 |  |
| Vehicles                | 10-25        |  |

Amortization is charged in the year of acquisition but not in the year of disposal. Assets under construction are not amortized until the asset is available for productive use.

### (ii) Contributions of tangible capital assets

Tangible capital assets received as contributions are recorded at fair value at the date of receipt and also are recorded as revenue.

### (iii) Leases

Leases are classified as capital or operating leases. Leases which transfer substantially all of the benefits and risks incidental to ownership of property are accounted for as capital leases. All other leases are accounted for as operating leases and the related lease payments are charged to expenses as incurred.

### (iv) Inventories

Inventories held for consumption are recorded at the lower of cost or net realizable value with cost determined by the average cost method.

### (v) Cultural and historical tangible capital assets

Works of art for display are not recorded as tangible capital assets but are disclosed.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS For the year ended December 31, 2022

### 2. Cash and temporary investments

|                               | 2022                       | 2021                     |

Principal and interest repayments are due as follows:

|            | Principal       | Interest        | Total           |
|------------|-----------------|-----------------|-----------------|
| 2023       | \$<br>523,091   | \$<br>165,025   | \$<br>688,116   |
| 2024       | 536,732         | 152,889         | 689,621         |
| 2025       | 474,590         | 139,200         | 613,790         |
| 2026       | 448,614         | 124,277         | 572,891         |
| 2027       | 421,925         | 113,449         | 535,374         |
| Thereafter | 3,827,839       | 493,758         | 4,321,597       |
|            | \$<br>6,232,791 | \$<br>1,188,598 | \$<br>7,421,389 |

Debenture debt is repayable to Alberta Capital Finance Authority and bears interest at rates ranging from 1.86% to 5.75% per annum, before Provincial subsidy, and matures in periods 2024 through 2036. The average annual interest rate is 3.12% (2021 - 3.15%). For qualifying debentures, the Province of Alberta rebates 60% of interest in excess of 8%, 9%, and 11% to a maximum annual rate of 12.5%, depending on the date borrowed. Debenture debt is issued on the credit and security of the Town of Fort Macleod at large.

Interest on long-term debt amounted to \$178,786 (2021 - \$163,369).

The Town's total cash payments for interest in 2022 were \$181,308 (2021 - \$162,801).

### 8. Accumulated surplus

Accumulated surplus consists of internally restricted and unrestricted amounts and equity in tangible capital assets as follows:

|  | 2022                                       | 2021<br>(restated)                         |

|  | \$<br>8,966,690  | \$<br>9,721,958   | \$<br>8,377,905  |

### 14. Contaminated sites liability

The Town adopted PS3260 Liability for Contaminated Sites. The Town did not identify any financial liabilities in 2022 (2021 - nil) as a result of this standard.

### 15. Salary and benefits disclosure

Disclosure of salaries and benefits for elected municipal officials, the chief administrative officer and designated officers as required by Alberta Regulation 313/2000 is as follows:

|   | (1)          | (2)         | )        |         |    |         |

| Councillor David Orr  | -            | -           |          | _       |    | 13,572  |
| Chief Administrative Officer - Burdett Interim Chief Administrative Officer - | 116,436      | 22,125      |          | 138,561 |    | -       |
| Gi <b>ll</b> ingham   | 18,333       | 4,320       |          | 22,653  |    | 43,360  |
| Chief Administrative Officer -<br>Keenan                                      | \$<br>-      | \$<br>-     | \$       | -       | \$ | 124,484 |

- (1) Salary includes regular base pay, bonuses, overtime, lump sum payments, gross honoraria and any other direct cash remuneration.
- (2) Benefits and allowances include the employer's share of all employee benefits and contributions or payments made on behalf of employees including pension, health care, dental coverage, vision coverage, group life insurance, accidental disability and dismemberment insurance, long- and short-term disability plans, professional memberships, and tuition.

Benefits and allowances figures also include the employer's share of the costs of additional taxable benefits including special leave with pay, financial planning services, retirement planning services, concessionary loans, travel allowances, car allowances, and club memberships.

### 16. Debt limits

Section 276(2) of the Municipal Government Act requires that debt and debt limits as defined by Alberta Regulation 255/00 for the Town be disclosed as follows:

|                                     | 2022                          | 2021                          |
|-------------------------------------|-------------------------------|-------------------------------|
| Total debt limit Total debt         | \$<br>13,580,768<br>6,232,791 | \$<br>11,502,821<br>6,795,124 |
|                                     | \$<br>7,347,977               | \$<br>4,707,697               |
|                                     |                               |                               |
| Debt servicing limit Debt servicing | \$<br>2,263,461<br>688,116    | \$<br>1,917,137<br>763,641    |
|                                     | \$<br>1,575,345               | \$<br>1,153,496               |

The debt limit is calculated at 1.5 times revenue of the municipality (as defined in Alberta Regulation 255/00) and the debt service limit is calculated at 0.25 times such revenue. Incurring debt beyond these limitations requires approval by the Minister of Municipal Affairs. These thresholds are guidelines used by Alberta Municipal Affairs to identify municipalities which could be at financial risk if further debt is acquired. The calculation taken alone does not represent the financial stability of the municipality. Rather, the financial statements must be interpreted as a whole.

### 17. Local authorities pension plan

Employees of the Town participate in the Local Authorities Pension Plan (LAPP), which is one of the plans covered by the Alberta Public Sector Pensions Plans Act. The plan serves about 281,764 people and 435 employers. The LAPP is financed by the employer and employee contributions and by investment earnings of the LAPP Fund.

Contributions for current service are recorded as expenditures in the year in which they become due.

The Town is required to make current service contributions to the LAPP of 8.45% of pensionable earnings up to the year's maximum pensionable earnings under the Canada Pension Plan and 12.80% on pensionable earnings above this amount. Employees of the Town are required to make current service contributions of 7.45% of pensionable salary up to the year's maximum pensionable salary and 11.80% on pensionable salary above this amount.

Total current service contributions by the Town to the LAPP in 2022 were \$138,753 (2021 - \$157,639). Total current service contributions by the employees of the Town to the LAPP in 2022 were \$123,720 (2021 - \$142,316).

At December 31, 2021, the LAPP disclosed an actuarial surplus of \$11.9 billion.

### 18. Segmented disclosure

The Town provides a range of services to its ratepayers. For each reported segment, revenues and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. The accounting policies used in these segments are consistent with those followed in the preparation of the financial statements as disclosed in Note 1.

Refer to the schedule of segmented disclosure (schedule 3).

### 19. Financial instruments

The Town's financial instruments consist of cash and temporary investments, accounts receivable, investments, debt charges recoverable, bank indebtedness, accounts payable and accrued liabilities, deposit liabilities, requisition over-levy, and long-term debt. It is management's opinion that the Town is not exposed to significant interest or risk arising from these financial instruments.

The Town is subject to credit risk with respect to taxes and grants in place of taxes receivables and trade and other receivables. Credit risk arises from the possibility that taxpayers and entities to which the Town provides services may experience financial difficulty and be unable to fulfil their obligations. The large number and diversity of taxpayers and customers minimizes the credit risk.

Unless otherwise noted, the carrying value of the financial instrument approximates fair value.

### 20. Commitments and contingencies

- a) The Town is a member of the Alberta Municipal Insurance Exchange (MUNIX). Under the terms of membership, the Town could become liable for its proportionate share of any claim losses in excess of the funds held by the exchange. Any liability incurred would be accounted for as a current transaction in the year the losses are determined.
- b) Employees of the Town are allowed to accrue sick leave to a maximum of 1,120 hours. As at December 31, 2022 the amount of accumulated sick leave was \$399,981. The amount was not recorded in the financial statements as there is no certainty the full amount will be used. The amount of accumulated sick leave is not paid out to employees of the Town when they leave their position.
- c) The Town has guaranteed repayment to a maximum of \$50,000 of an operating line of credit for the Empress Theatre Society to the Canadian Imperial Bank of Commerce. As at December 31, 2022 the outstanding operating line of credit balance was nil.

### 21. Budget amounts

The 2022 budget for the Town was approved by Council on April 25, 2022 and has been reported in the consolidated financial statements for information purposes only. These budget amounts have not been audited, reviewed, or otherwise verified.

The approved budget contained reserve transfers, capital additions and principal payments on debt as expenditures. Since these items are not included in the amounts reported in the consolidated financial statements, they have been excluded from the budget amounts presented in these financial statements.

| Equals:  | Balanced budget                         | \$ -         |
|----------|---|--------------|
|          | Transfers from reserves                 | 2,649,780    |
| Add:     | Amortization of tangible capital assets | 1,752,000    |
|          | Transfers to reserves                   | (77,515)     |
|          | Long-term debt repayments               | (562,335)    |
| Less:    | Capital expenditures                    | (2,846,500)  |
| Budgeted | deficit per financial statements        | \$ (915,430) |

### 22. Comparative figures

Certain comparative figures have been reclassified to conform to the financial statement presentation adopted in the current year.

The prior year figures have been restated to reflect an allocation of development costs in the amount of \$614,323 to land held for resale from tangible capital assets. This has no effect on earnings or accumulated surplus.

### 23. Approval of financial statements

These financial statements were approved by Council and Management.
