1 Introduction

The Town of Fort Macleod is requesting quotations from individuals or contractors to procure, deliver and apply dust suppression chemicals on Town gravel roads.

1. Interested parties must have proof of liability insurance, registered with WCB Alberta, and detailed information on criteria for payment
2. The Town of Fort Macleod reserves the right to reject any and all bids
3. The Town of Fort Macleod has the right to select the proposal that best satisfies its interests and not necessarily on the basis of price or any other single factor
4. The town will not be liable for any additional work or damages directly attributed to neglect or poor workmanship of the prime contractor or any of their subcontractors

2 Scope

The Town of Fort Macleod will require the successful party to:

- Procure, deliver and handle all chemicals
- Acquire or maintain all tickets for application
- Maintenance and use of all equipment and tooling including personal protective equipment (PPE)
- Coordinate with our Public Works team for application timing, accounting for weather conditions, location priorities
- Demobilize from site

3 Schedule

Target Commencement Date: May 1st, 2025 (Can be flexible, working with Public Works)

The Town of Fort Macleod will require an estimated schedule of procurement and execution of work.
