

**MD OF WILLOW CREEK NO.26 & TOWN OF FORT MACLEOD
COVID-19 INFORMATION UPDATE
Dated: May 5, 2020**

In consultation with Alberta Health Services the Municipal District of Willow Creek and the Town of Fort Macleod will **NOT** be providing daily number updates or health related information.

“Alberta Health is the owner of the numbers daily. They provide that update each afternoon through Dr. Hinshaw. The best way for community members to find out the numbers is through viewing that update, or by looking online at the data provided by Alberta Health which is also updated each day late afternoon. <https://covid19stats.alberta.ca/> The Geospatial tab is the best spot to see the specifics for each county.”

We will continue to share links on both our Facebook page and webpage that direct users to the daily updates. For more detailed information please refer to Alberta.ca for the most recently updated and best source of truth and accurate information.
