

## PUBLIC NOTICE FOR RELEASE

### **RE: COUNCILLOR DRESSLER RESIGNATION**

As of Tuesday April 13, 2022, Councillor Werner Dressler announced his resignation from Fort Macleod Town Council, with his last day to be June 30, 2022.

Councillor Dressler has had some health challenges and feels it appropriate to focus on his recovery and allow someone else to fill the role as Councillor. It is very noble to know when to step aside to take care of oneself when facing challenges that may be affecting one's ability to serve their community. We can all agree that Werner's love of this town is evident, and he has done his best to serve Fort Macleod. Both Council and Administration have enjoyed working along side Councillor Dressler, and we wish him all the best.

By-election details and further information will be coming soon.

Sincerely,
